CAWLEY MIDDLE SCHOOL HOOKSETT, NH

Athletics and Co-Curricular Programs

I. Philosophy and Procedures:

Extracurricular athletics and co-curricular programs in Hooksett are voluntary student programs. Though we strongly encourage students to do so, none are obligated to take part in athletics or co-curricular programs. The goal of our interscholastic athletic program is to establish self-discipline, socialization skills, fair play through interaction with team members, coaches, and officials, and to better develop physical skills. The goal of our co-curricular program is to offer students other positive activities in which middle schoolers' can work together for a common purpose.

Because the programs are voluntary, and because those participating are representative of the community of Hooksett, it is necessary that we set our standards high. Student-athletes and co-curricular participants must maintain acceptable academic requirements and display proper citizenship and sportsmanship skills. They are required to conduct themselves in an appropriate manner.

Since it is a privilege to represent Hooksett in athletic and co-curricular competitions, it follows logically that the school has the responsibility to revoke that privilege when the student does not conduct himself/herself in an acceptable manner. Proper conduct is required of students on the athletic field, and in the school and community.

II. Participant Regulations:

A. Academic Eligibility

It is important for students to understand that the maintenance of good grades is of primary importance. In order for students to participate on an interscholastic or co-curricular team, the following academic conditions must be met:

1. Participants must pass all classes at report card time.
2. Participants must not receive more than one (1) failing grade at progress check time.
3. Students who do not meet the aforementioned criteria (1 and 2) will be suspended from participation for two weeks. Two weeks will be allowed to meet the criteria or permanent seasonal participation will be suspended.

B. Conduct Standards

1. Detentions: Proper conduct during school, on the field of play, and during transport to and from games is required of all students. No student will be allowed to participate in athletics who has received more than three (3) after-school detentions, either teacher-held or office during the course of the season. Upon receiving his/her fourth (4) detention, the student athlete will be notified of his/her suspension from athletic participation. On the day a student-athlete is to serve a detention, he/she is not allowed to participate in either that day's game or practice. The student, however, may be present at the field according to the discretion of the coach.
2. Coach's prerogative: Our athletic coaches dedicate a great deal of time training student-athletes. A coach may recommend dismissal of a student or students from participating on a team to the school administration.
3. Athletic Suspension: The school reserves the right to suspend students from participation in athletics when it deems it necessary. Suspension from sports may occur for reasons such as use of tobacco, drugs and alcohol on or off school grounds, inappropriate conduct, or other inappropriate activity.
