

Hooksett Community Skywatch Night!

Rules for Skywatches

- **Watch your step:** Be careful of wires on the ground.
- **Red flashlights:** A red light will not ruin your night vision. You can cover the lens of a regular light with red plastic.
- **No flash photography** as it will interfere with everyone's night vision.

ALPs enrichment: coordinated by Mrs. Tremblay and Mrs. Ruest

You are invited

ALL students, families and community members are invited to Cawley Middle School on Thursday, September 28 at dusk to view the stars.

Amateur astronomers will set up telescopes for a closer look at the stars, moon and any visible planets. This is a beginner-friendly viewing to the stars. Each telescope will have an expert that will guide you.

When: September 28, 2017

Time: 7:30 pm - 9:00

Where: BACK PARKING LOT (Park in the front of the building. Don't forget to bring a flashlight as the streetlights will be turned off.)
89 Whitehall Rd.
Hooksett, NH

CANCELLATION due to CLOUD COVER or RAIN will be posted on the Twitter account located on each school's web page.

Make Up Date: October 12. Same location.
Time: 7:30 pm - 9:00
