

December 20, 2017

Dear Parents and Students,

Effective January 2nd there will be a change affecting your child/children's middle school bus route, in an effort to alleviate overcrowding. Attached you will find a copy of the new route along with time changes.

Please plan accordingly so your children that are used to having someone at the stops waiting for them can expect the same to occur with this change

We appreciate your understanding and are expecting this change to go smoothly. Thank you and enjoy the school break.
