Dear Parents,

We are writing this letter to inform you that today, approximately 150 students participated in the National School Walkout to remember the 17 victims of the tragic school shooting at Marjory Stoneman Douglas High School in Parkland, Florida. While the school did not encourage this action, we were prepared to supervise and ensure the safety of our students.

Students walked out of the building and assembled quietly and respectfully in the front of the building at 10:00 a.m. At 10:17 a.m the students walked back into the building in an orderly fashion to resume their classes. All students at Cawley Middle School were respectful and appropriate during the walkout.

Both The Superintendent of Schools and the Principal of Cawley Middle School were impressed with the maturity, respect and empathy displayed by our students. We are proud of those who participated, those who did not, and the entire school community.

Sincerely,
