

PICTURE DAY

is coming soon!

*We're better together, and we're
so happy to see your smile again!*

Dear Parent or Guardian,

The COVID19 pandemic continues to affect families all across New England. As a trusted local school photographer, we are focused on the communities we service and we are so happy to take part in capturing your child's smile during this challenging time.

We are thinking of you and your family and want to make sure you stay safe & healthy during this process. Because of this, we have incorporated a no-paper, online only ordering environment. Below is information on how you can pre-order your child's photo online until midnight of picture day!

Our passion comes from capturing the milestones of a child's academic life. We look forward to photographing these happy moments.

Wishing you all the best,

The Geskus Team
