Business Administrator

October 8, 2020

Dear David R. Cawley Families and Staff,

We have just been informed that there has been a second confirmed case of COVID-19 at the Cawley Middle School. Mr. Benson remains in contact with the New Hampshire Department of Health and Human Services. Since we have closed the building until October 13, no other action is necessary at this time.

Sincerely,

William J. Rearick
Superintendent of Schools
