Title: Contact Tracing Update

November 18, 2020

Dear Parents/Guardians,

This morning at 7:20 am, the school was notified of a positive confirmed case of COVID-19. The school followed the protocols of identifying close contacts and isolating those individuals who then left the building. All close contacts parents have been notified by the school. The normal school day is continuing and no school closure is necessary.

In addition, I have submitted contact tracing information to the New Hampshire Department of Health and Human Services so they can complete their contact tracing process and notify close contacts. I have requested that NH DHHS notify me once they have completed their contact tracing and notifications. They are at this time unable to provide a specific timeframe for completion.

We appreciate your patience and flexibility during this time. If you have any further questions, please contact me at (603) 518 - 5047 ext. 5003.

Sincerely,

A handwritten signature in black ink that reads "Matthew Benson".

Matthew Benson
Principal
