Dear SAU #15 Staff and Families,

As you may know, Governor Sununu announced yesterday that the State's mask mandate will expire today. The Hooksett schools have had a mask requirement since the start of the school year, prior to the state's mandate. In order for us to be able to offer in-person learning for all students, our mask requirement is still in effect and will be until further notice.

Thank you for helping to keep our community safe and be able to allow all students attend.

Sincerely,

William J. Rearick
Superintendent of Schools
