Proudly Supporting: Fred C. Underhill, Hooksett Memorial, David R. Cawley Schools

August 1, 2021

Dear Students, Parents, Guardians, and Staff of the Hooksett Schools,

We are so very excited for the coming school year and the Hooksett PTA is dedicated to giving every child in our community a voice. We are here to advocate for our students and teachers regardless of the location of their classroom.

When you join the Hooksett PTA you are joining an organization whose mission is to make every child's potential a reality by engaging and empowering families through advocacy for all children. We do this by joining together for laws that further education, physical and mental health, welfare and safety of children and youth, promoting the collaboration and engagement of families and educators in the education of children and youth, and advocating for fiscal responsibility regarding public tax dollars in public education funding. Every day on a local, district, state and national level, PTA members are advocating for all children. When you join the Hooksett PTA, you join and support that collective voice.

We hope you will continue to support us by joining at: [www.hooksettpta.org](http://www.hooksettpta.org). You can stay up-to-date on our upcoming events, PTA projects, fundraisers and school news, by joining our Facebook page at <https://www.facebook.com/groups/151577918242293>

In the coming school year, we will all face challenges as we navigate the return to school. The Hooksett PTA, along with the NH PTA, is committed to ensuring the best education for all students. If you have any ideas on ways we can better support the needs of our community, please reach out at [president@hooksettpta.org](mailto:president@hooksettpta.org), I would love to hear your ideas!

Thank you for all that you do,

Mike Dullen  
Hooksett PTA President
