Summer Programs at Cawley

This summer Cawley Middle School will offer two summer programs, Extended School Year and Summer Academy. Each program will provide students with opportunities to work on skills in reading and math and/or science and social studies and individual learning goals. Summer Academy will begin on July 8 and end on July 25.

Advanced Learning Program

As the school year ended, the ALPs program engaged in hands-on learning challenges. The 8th grade students engineered mini-golf course holes. This task required a great deal of learning, patience, and hot glue. Students were required to program Hummingbird Robotic Kits to ensure that their hole had at least one moving element and one light element. The students were very excited to challenge one another when their design process was finished.

In 7th grade, students finished learning about the court system and enjoyed reading the play "12 Angry Men." The year concluded with creative writing and English challenge activities.

The 6th graders were actively engaged in preparing for the Greek Olympics. Students learned about traditions and culture, as well as what to expect in this summer's Paris games.

Builders Club

After a successful "April Showers" personal hygiene drive, Cawley Builders Club donated several boxes to the Hooksett Food Pantry to distribute to their clients. The members volunteered at Beautify Hooksett Day and worked in the Library Garden at Underhill School.

The Builders Club celebrated president, Kara McIntyre being named Hooksett Youth Volunteer of the Year.

Next year's elected board members are:

President: Jaelynn Breton

Vice President: Amelie Vigneau

Secretary: Aisling Collins

Publicists: Alaina Spencer and Madison Huberty

An end of the year celebration occurred on June 12. Thank you to all who have supported the members who worked very hard for our community.

National Junior Honor Society

The NJHS sponsored Talent Show raised \$500 for Honor Flight New England. The advisors were extremely proud of the work and dedication from this year's membership and board. The 30 returning 7th grade NJHS members elected their next year's board on June 6:

President: Lucy Callanan

Vice President: Lydia Raymond

Secretary: Reid Hamilton

Co-Publicists: Emily Liadis and Stewart Gregory

Historian: Emily Upton

On Tuesday, June 11 the NJHS chapter at Cawley held their end of year party to celebrate the incredible community outreach and fundraising this year.

Athletics

Cawley athletics had an outstanding spring season. Congratulations to the softball team for an undefeated season. The team closed out the championship game with a 13-1 win over Merrimack Valley. The offensive leaders in the title game were Maddie Chauvette with 3 hits and Liv Florenzo with 2 hits. Abby Chambers and Cali Sylvia threw a combined no-hitter in the circle.

The girls lacrosse team captained by 8th graders Bella Flemming and Scarlett Singleton dominated Tri-County Division 2 lacrosse. Cawley outscored its opponents 86-44 in the regular season. Goalie Zoey Godbout limited all opponents to eight or fewer goals, averaging 5.6 goals per game. The team was 7-1 in the regular season and narrowly lost to Rundlett in an epic overtime battle, 8-7.

Congratulations to all Track and Field athletes who competed in the NH Middle School Meet of Champions. Cawley athletes competed at the highest level with the top competitors in track across the state. Some standout performances include:

Emma Kubat, Ella Kubat, Alix Daigle and Cara Mahn finished 2nd in the state and a new school record in the 4x4 meter relay

Jacob Timpe, Ethan Lajewski, Xander Welch and Caleb Arroyo earned a new school record in the 4x4 meter relay

Emma Kubat finished 2nd in the state and set a new school record in the 800 meter

Evan Schottler, Nathan Canavan, Gage Dion and Winston George won 1st in the state and set a new NH record in the boy's 4x1 meter relay

Gage Dion finished 3rd in the state in discus and the 100 meter dash

Winston George won the 100 meter dash and 200 meter dash, setting a new NH state record in the 100 meter and 200 meter and was selected as the NH Middle School Meet of Champions Most Outstanding Male Athlete.

The Cawley golf team had a strong season led by eighth grader Brayden Larson and seventh grader Nolan Murphy. Thirteen student-athletes turned out for the team. The team held practices at Pembroke Pines and Candia Woods. The team finished 4th at the Tri-County Championship.

Performing Arts

The music department enjoyed a busy year with wonderful students. At the spring concert in May, the Jazz Band, Band, and Chorus performed in assemblies at both Memorial School and Cawley, as well as an evening performance for families.

The Cawley Band marched in the Memorial Day parade, which was well received by the town. The final event was the 5th grade Step-Up Concert, where 5th grade band and chorus members came to Cawley to rehearse with and get to know their future classmates and directors, followed by a brief concert for the families. Everyone did great, and Mr. Davini and Mrs. Vanderhoek are excited to have the current 5th graders join the ensembles next year
